Dear Parents,

We are delighted to declare the Overall Performance Report of the Kindergarten Section for the Session 2024-2025 today. A big CONGRATULATIONS to all our little scholars who have done a great job of managing the gigantic task of excelling in their studies. It is highly commendable to see that students from each section have topped the chart and to our astonishment they have also outshone in various events and competitions. We salute the hard work and dedication of the students, parents and teachers and hope their focused efforts go a long way in the making of these geniuses. Like every coin has two sides, it is also imperative to concentrate on the elimination of flaws wherever they exist. We remain committed in reinforcing our endeavours and leveraging our resources for top excellence. We are indebted to all the stakeholders for their overwhelming trust and support in us.
